

BULK SALE OFFERING

HAND TOOL, TOOL KIT & GSA CONTRACT INVENTORY

**Complete Remaining Inventory of a Former GSA Supplier/Assembler
of Sets, Kits and Outfits of Hand Tools**

Attleboro, Massachusetts

OPPORTUNITY OVERVIEW

A substantial new/unused inventory of hand tools, tool components, tool sets, cases, rolls, pouches, foam inserts, packaging and related items formerly maintained for the assembly of government tool sets, kits and outfits. The inventory is broad by manufacturer, size and function and is especially well suited to a government/military tool-kit assembler, industrial distributor, wholesale tool supplier, MRO supplier, or established closeout buyer capable of absorbing mixed SKU inventory.

REPRESENTATIVE INVENTORY

- Sockets, ratchets, drive tools, extensions, hex-bit sockets and socket sets in SAE and metric sizes
- (30) Ridgid 36620 & 36565 Pipe Threaders
- Combination, open-end, adjustable, specialty and impact wrenches; pliers, cutters and locking/groove-joint tools
- Screwdrivers, nutdrivers, insert bits, power bits, Torx/Pozi/Robertson and specialty driver components
- Hex keys and hex-key sets; punches, chisels, pullers, gauges, crimping/insertion tools and specialty maintenance tools
- Tool cases, rolls, pouches, pallets, foam inserts, cartons and packaging components used in kit assembly
- Additional abrasives, saw blades, knives, measuring/test items and miscellaneous industrial/MRO inventory
- Large Quantity of Power Tools
